Utility Company: Unisource ** Energy Services (UNS)

Division: Gas

Contact Name: [REDACTED]

Contact Phone: [REDACTED]

Nature of Complaint:

01/18/07 Customer called to say that he is opposed to the rate increase request for Unisource. He said that he lives in Mohave County and that it is one of the poorest counties in Arizona and one of the poorest in the United States. The medium annual salary is \$12,000 per year and the monthly charge of \$7.00 is too much each month in addition to all the other charges (taxes- acc fees, increase in PGA). Why should the customer pay for the gas because they use less in the summer than winter. As representatives of the tax payers the Commissioners need to look at these types of details that are present in Mohave county.

Utilities' Response:

Investigator's Comments and Disposition:

01/18/07 I explained that the complaint will be docketed and the Commissioners will have an opportunity to review prior to making a decision regarding the case. I thanked the customer for sharing his opinion. The customer wanted to speak to a Commissioner and during the transfer process he hung up.

Caller wished to express feelings about the proposed rate increase for SWG. She is a single person on a fixed income and feels she and others in the same situation will be unable to pay the high bills after any approved increase. She strongly urges the Commission to carefully consider any approvals.
